Potential Treatment Providers,

The United States District Court for the Southern District of Georgia is soliciting proposals to provide treatment services during Fiscal Year 2027 for the following areas:

113J-27-08 Savannah Area Sex Offender Counseling Services
113J-27-09 Southern District of Georgia, District-Wide Polygraph Services
113J-27-11 Statesboro Area Sex Offender Counseling Services

The offeror would provide services for male and female federal defendants/persons under supervision who have been ordered by the Court to participate in treatment. These individuals include persons on probation, supervised release, or parole, who are under supervision of the United States Probation Office.

Request for Proposals (RFPs) can be found at [Current RFPs | Southern District of Georgia](#). Each RFP contains the full text of all applicable Government regulations, and all offerors are subject to the provisions contained in the RFP. In responding to any RFP, you should answer each item and supply all information requested.

Section L provides specific directions for potential offerors in completing the proposal. **The offeror should fully read Section L and follow the directions set forth.** The minimum standards for the services listed are contained in the Clauses and Terms of Agreement. All proposals will be evaluated by the criterion explained in Section M. Note if you intend to subcontract any services, instructions are included in Section L the offeror should follow.

If you have any questions regarding the RFP, please submit your questions in writing to treatment_services@gas.uscourts.gov. Please note that questions will **only** be received and answered via email.

Proposals will be awarded on the basis of initial offers submitted, and each initial offer should contain your organization's best terms from a lowest cost and technical standpoint. There will be no additional opportunity to modify your proposal.

FY27 Treatment Services Request for Proposal
US Probation Office, Southern District of Georgia

Please read the RFP carefully; do not rely on knowledge of previous RFPs, or knowledge or previous Federal procurement procedures as language has been updated within the current templates. As a reminder, the offeror must have a physical site within the catchment area, which will be evaluated during an on-site visit. The exception to this requirement is the district-wide polygraph RFP. Note: a catchment area may consist of multiple counties/zip codes, in which case the offeror must have a physical site within at least one of the counties/zip codes identified in that catchment area.

An offeror must be capable of providing all services identified in Section B, including local services identified at the end of Section C, and must have a physical site located within the geographic area identified in Section B. **As stated above, the district-wide polygraph RFP notes the exception to a physical site requirement in the Local Services section starting on page C-21 of the RFP. ** If the offeror is unable to provide a service identified in Section B and does not identify/subcontract with someone to provide the service, the offer will be technically unacceptable.

The estimated monthly quantity (EMQ) listed in Section B of the RFP is the estimate of the services to be provided during the terms of this agreement. It is only an estimate. EMQs are based on 30-minute increments of time and not number of clients.

Although the Government may choose to enter into a Blanket Purchase Agreement with multiple offerors, the Government reserves the right to award a single offeror.

The term for this Blanket Purchase Agreement is twelve (12) months with a start date of October 1, 2026, with a provision that shall allow the Government to unilaterally extend the agreement for an additional four (4) years, at four (4) twelve (12) month intervals, at the Government's discretion.

Proposals are due by Wednesday, July 15, 2026, at 4:00 pm. Proposals shall be e-mailed in pdf format to treatment_services@gas.uscourts.gov. All e-mail submissions must reference in the subject line, the Solicitation number indicated in Section A, Block 1 of the Solicitation/Offer/ Acceptance. It is the responsibility of the offeror to confirm the government's receipt of the proposal.

All proposals must be signed by a representative authorized to commit the offeror to contractual obligations. Electronic signatures are accepted.

A copy of the Blanket Purchase Agreement, Clauses and Terms of Agreement, should be retained by the offeror for their files.

Sincerely,

Cassandra Nichols-Barrett
Contracting Officer
