RATING CRITERIA

The evaluation rating on this report must be completed using the following rating definitions:

- (1) Excellent During the monitoring period, the vendor has exceeded the requirements of the statement of work. There were no deficiencies and the vendor has operated within the terms and conditions of the agreement. The agreement should be continued.

- (2) Satisfactory There are few problems or issues and the vendor generally operates within the terms and conditions of the agreement. Any improvements would be considered minor. The agreement should be continued.

- (3) Unsatisfactory There are deficiencies with the performance of the vendor that must be corrected. The vendor will be notified via this monitoring report of the deficiencies and corrective measures and given a specific time frame in which to correct the deficiencies and become in full compliance with the terms and conditions of the agreement. The agreement will only be continued if the deficiencies are corrected within the stated time frame. If not corrected in the time frame, the existing referrals may be terminated, the option to renew will not be exercised, or future referrals may cease.

- (4) Unacceptable There are deficiencies with the performance of the vendor which have not been corrected, cannot be corrected, or the vendor refuses to correct. Continuation of the agreement will only be allowed until a new service provider can be obtained. Termination of the existing referrals will be made either for the convenience of the Government or for default.
